

## AIS Strength in **Diversity.** Achievements and Progress.

AIS leads through empowerment and progress with a workforce comprised of 40% women. We value and celebrate the strength of our organization with its diverse ideas and perspectives. Our company's mission is to provide all of our employees successful manufacturing careers with opportunities and growth.

- We are proud to have women as project managers, team leads, manufacturing support, directors, vice presidents and in many other leadership roles.
- Our diverse female workforce puts AIS higher than the national industry average by almost 10%.
- We have employees from around the world, representing more than 30 different countries.

Since our inception in 1989, AIS has always been a company based on ingenuity and known for embracing change. Over the past 30 years, we have gained recognition for market-relevant and feature-rich product design while offering exceptional value. Across the industry and within our local community we are unparalleled in our innovation, sustainability, lean manufacturing, lead-time performance, and manufacturing flexibility.

As a sustainably focused industry leader, we will continue to grow our female workforce and embrace our international culture in the years to come.
