Corporate Leadership Awards**

Berwyn, PA – June 25, 2024 – [AscellaHealth](#), a global partner that delivers proven end-to-end solutions to both life sciences and healthcare companies to enhance the quality of life for patients with complex, chronic conditions, is pleased to announce Mario Patone, CFO, AscellaHealth is recognized as one of Greater Philadelphia’s distinguished business executives in the *Philadelphia Business Journal*’s Corporate Leadership Awards. Each year, the publication recognizes outstanding executives and business leaders and this year’s [Corporate Leadership Award](#) honors 24 individuals who were chosen based upon scope of work and the impact they have had at their company in current and past roles.

“It is truly an honor to receive this award and take the opportunity to pay tribute to AscellaHealth’s exceptional team that has supported our incredible corporate growth and international expansion,” says Patone, who will be honored at an [awards program on July 11](#) at the Grand Belle at The Bellevue Hotel and featured in a special edition of the *Business Journal* on July 12. “This distinction is testimony to our elevated market position and the strength of our innovative, end-to-end solutions that enable patients with complex, chronic conditions to access novel therapies and improve clinical outcomes.”

Patone brings over 30 years of expertise to his role as CFO and contributed to the four-year growth rate of 623% (2019 – 2022). He leads the overall strategic financial direction for AscellaHealth and all its affiliated entities, including reporting, analytics and diligence. Additionally, Patone provides counsel to the legal, business development and marketing functions of the business from a financial perspective. He has played a critical role in expanding the AscellaHealth footprint beyond the US and into the UK, bringing financial

acumen to the development of professional teams, contracting, acquisitions and business processes.

Prior to joining AscellaHealth, he served as CFO for a national professional services company, specialty pharmacy and an international durable medical equipment manufacturer. Mario's experience includes working with business owners to identify key finance and operational issues and provide in-depth analyses, enabling shareholders to gain a clearer understanding of their organization. Before working in the private sector, Mario was the partner in charge of Transaction Advisory Services for a top ten national CPA and consulting firm.

Among his other professional accomplishments, he was a principal contributor and co-author of COSO's "Internal Control Over Financial Reporting – Guidance for Smaller Public Companies."
