

Babson's Corporate Strategic Alliance Program

A corporate scholarship program designed to enhance corporate members' employee tuition benefits, Babson's Corporate Strategic Alliance Program provides members with a reduced rate on Babson's part-time graduate programs and Executive Education open enrollment programs.

In lieu of payment, corporate members agree to:

- » Allow Babson to launch this benefit with a company-wide email sent from company's HR department
- » Allow Babson to host professional development and recruiting events twice a year
- » Assist in marketing and promoting above sessions through company channels
- » Provide a link from the company website's benefits page to the Babson Strategic Partnership page
